IB SmartRoutingSM

Designed to search for the best price available at the time of the customer's order.

Unlike other routers, it dynamically routes and re-routes all or parts of the order for optimal execution.

We do NOT sell order flow to internalizers.

Transaction Auditing Group, Inc., (TAG), a third-party provider of transaction analysis, has determined that Interactive Brokers U.S. stock and options price executions and European stock price executions were significantly better than the industry during 2011.

Differentiator: Sophisticated Technology and Tools

Interactive Brokers is an industry leader in offering brokerage customers superior trading technology

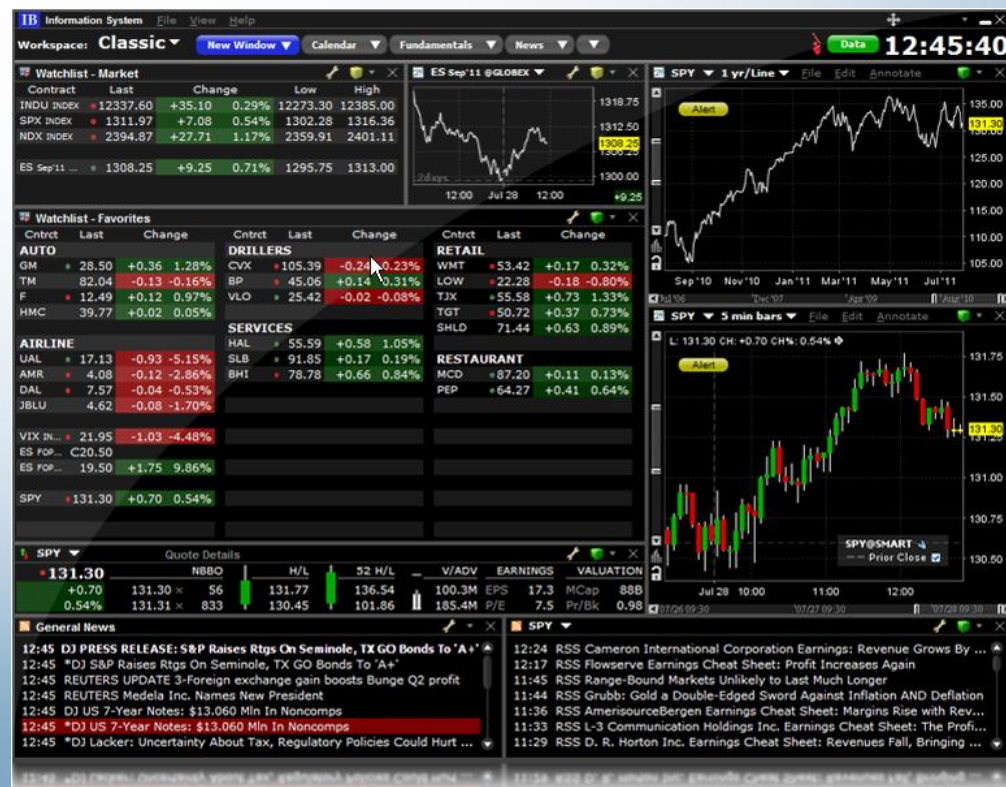

- We have over 33 years of experience building and refining our electronic access trading technology.
- Our original initiative to enter the brokerage business was to service displaced floor traders that had to transition to electronic markets.
- We offer an extensive suite of sophisticated order tools at NO extra cost.

Interactive Brokers Information System - IBIS

Our latest enhancement to the Trader Workstation (TWS) that provides a powerful lineup of professional research tools at a fraction of the cost of standard research platforms

Features Include:

- **Newsire:** Realtime Tradable headlines from Dow Jones and Reuters
- **Fundamentals:** Comprehensive financials, estimates and sell side analyst stats
- **Calendars:** Earnings and Economic Indicator schedules with real-time updating actuals
- **Workspaces:** Windows snap together to create your custom trading console
- **Data Boost:** 250 simultaneous quotes and five deep books for viewing on the TWS
- **Thumbnail Charts:** Small form-factor tool for display of key indicators

IB Stock Yield Enhancement program

- Allows customers to earn extra yield by loaning out their fully-paid for stock
- Customer receives a loan fee based on market rates; IB retains 50% for managing the program
- Completely transparent
- Other brokers typically do not disclose market rates in order to keep a higher portion for themselves

Online Hedge Fund investor site

- IB's online capital introduction program
- Qualified customers can view information about independent hedge funds and invest directly through their IB account
